First Female-Owned Family Law Firm in Jacksonville Featured in *Attorney at Law Magazine* for Four Decades of Justice

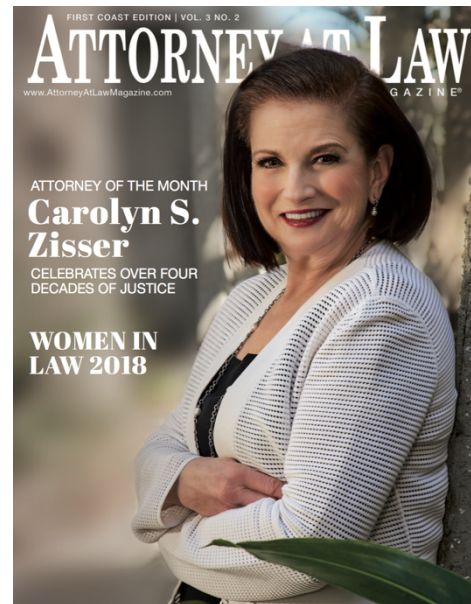

(Neptune Beach, FL) — Zisser Family Law, the first female-owned law firm focusing solely on marital and family law in Jacksonville and the Beaches, is being featured in *Attorney at Law Magazine*, a national law publication. Carolyn S. Zisser, Founder and Senior Attorney, graces the cover as the May “Attorney of the Month.”

The five-page article celebrates over four decades of justice at Zisser Family Law. Carolyn Zisser herself has practiced family law for more than 40 years, having more experience than any other female family law attorney in the Jacksonville area. Fellow attorney Lynn Salvatore also brings almost 30 years of family law experience to the firm. The article highlights Carolyn’s background, explains her journey into family law, and illustrates her passion and unwavering pursuit for what is right and just in family and marital law cases. The entire Zisser Family Law team is introduced in the article.

Carolyn and her firm have become extremely accomplished at developing a roadmap for achieving the most desirable outcomes and creating positive change for their clients.

Zisser Family Law is highly regarded and has a longstanding track record of excellence. Carolyn will be the first woman ever to be featured in *Attorney at Law Magazine*’s “Legal Legends” issue next month. The firm has been recognized with the “AV Preeminent Rating” by Martindale-Hubbell, a “10.0 Superb” Avvo rating, as a “Top Ten Divorce Attorney” by the *Jacksonville Business Journal*, the “Best Child Support Lawyer in Jacksonville” by *Expertise*, as well as notable listings in *Who’s Who in American Law*, *Leading American Attorney* and in *Florida Super Lawyers* since 2007. “Personal attention and persistent commitment” is the firm’s motto and is applied to each individual case.

Zisser Family Law is practiced and prepared, believing clients should accept and expect nothing less. The established firm is able to grant its clients access to a large network of experienced and distinguished experts in any area of family law that may be required, such as business valuation, mental health, real estate, forensic accounting and vocational evaluations. The Neptune Beach-based firm is also certified in Collaborative Family Law. At Zisser Family Law, if it’s possible, then it’s probable here.
